We have recently received word of our invitation to again attend the 2010 North American Challenge Cup meet that will be held in Santa Clara, California in August. This is PNS's second year to be invited to this competition. As you know last year's meet was held in La Mirada, California. The meet will again host teams from Canada, Mexico, Southern California Swimming, Pacific Swimming (northern California) and Pacific Northwest Swimming.

The athletes and staff will leave Seattle for Santa Clara on Tuesday, August 3<sup>rd</sup> and return on Sunday, August 8<sup>th</sup>, 2010. Additional information on the team selection process will be posted on the PNS website as soon as it is ready. The NACC meet will again be an outstanding competitive opportunity for our top 11-12 year old and older PNS athletes.

Keep an eye on the PNS website regarding information for the 2010 North American Challenge Cup meet trip to Santa Clara, California next August.
