2012 Western Zone Age Group Championships

Hosted by Maverick Aquatics
August 7-12, 2012

Eligibility: All swimmers entered must be currently registered with USA swimming as an athlete and must be on the LSC entry form. Proof of time shall be the responsibility of the LSC. Violations of this section shall carry a fine of \$250.00 assessed to the LSC, the swimmer will be dismissed from the meet and all points earned by that swimmer will be removed (including all relays in which the swimmer participated).

Any swimmer who has within the 18 months prior to the start of the meet participated in one (1) individual event at a USA Swimming Championship as defined by Article 207 of the USA Swimming Rules and Regulations, excluding Disability Championships and Open Water Championships, may not compete in that event or the related relay leg.

Any swimmer who within the 18 months prior to the start of the meet has participated in two (2) or more individual events at a USA Swimming Championships as defined in Article 207 of the USA Swimming Rules and Regulations, excluding Disability Championships and Open Water Championships, may not compete in the meet.

Entry Limits
Individual and Relay
Events:

Each LSC may bring two (2) swimmers with disabilities who are 12 and under and two (2) swimmers with disabilities who are 13-18. These swimmers with disabilities are not required to meet the time standards for their age group events; however, they must provide a time for each event they enter. Classification of a swimmer with a disability is irrelevant.

Each LSC may enter 400 individual events of which no more than 160 may be slower than the time standard. An LSC which enters more than 400 individual events and/or 160 slower than the time standard shall scratch down to the limit prior to the close of the scratch box on Tuesday (one-half hour after the start of the 1500). Failure to comply shall be deemed to have given the Meet Referee authority to eliminate entries to comply with these entry limits. Slower than time standard swims will be eliminated first. Disabled swimmers will not be included as part of the LSC's 400 or 160 limits.

Each swimmer is limited to six (6) individual events with an additional limit of three (3) individual events per day.

Each LSC is limited to one (1) non-standard swim per gender, per age group, in any event of 400 meters or longer. Entries over this limit must be scratched prior to the close of the scratch deadline for the event. In the event that such scratch is not received, the Meet Referee has the responsibility to eliminate entries to comply with these entry limits.

Each LSC is limited to 2 relays per relay event. Enter relays at no time; times shall be entered at the meet prior to seeding. Swimmers entered in the meet whose age/gender meet the event description are eligible to swim that relay.

Master Entry: **Entries must include:** Full legal name, age, USA Swimming Registration number, home club code, and LSC code. Entries shall be the swimmer's best time from the first day of competition of the prior year's meet to the entry deadline of the current year. For a swimmer who does not have a long course time which makes the time standard, the qualifying short course time shall be designated by a Y (short course yards) or S (short course meters) on the electronic file. Swimmers with non-qualifying times shall be designated with a B (non-qualifying bonus swim) and L (long course meters), Y (short course yards) or S (short course meters) on electronic file.

Swimmers with disabilities must be identified at the time entries are submitted.

Qualifying times are stated at sea level. Times achieved at an altitude of 3,000 feet or above may be adjusted in accordance with the current edition of the USA Swimming Rules and Regulations.

Entry Errors: The following procedure applies to and only to a swimmer whose entry is incorrect due to an administrative entry error. The error(s) may be corrected if:

- The LSC entering the swimmer can prove, with documentary evidence, to the satisfaction of both the Meet Director and the Meet Referee that the administrative error is due exclusively to the error of the LSC and not in any way the fault of the swimmer.
- Such documentary evidence must be submitted to the Meet Director or Meet Referee prior to the general meeting (no exceptions) where it will be subject to approval.
- If approved, the swimmer shall be seeded correctly.
