

9/15/2025: Program Ops Report

PNS has been working with Hasty Awards to transition from the old artwork

- Awards for WA State Champs and 14&U SC Champs have been ordered
 - The medals and ribbons will share a design so we are able to use at either meet.
 - Trophies will differentiate between the meets.
- We have hosts for AGI and Divisionals this year
 - Need to determine process and coverage for awards

Most meets through October have been sanctioned.

First technical planning meeting of the 2025-26 season is September 17th, 2025.
